EMPLOYMENT

WEB DEVELOPER / THRILLWORKS // August 2017 to Present (1+ Year)

Thrillworks Inc. - Burlington, ON

As a Developer I strive to learn as much as I can about cutting edge development practices. I love to build and maintain web projects, whether big or small. I pride myself on my attention to detail and I actively seek to build efficiencies in all aspects of my career.

Agile, Scrum: The core processes and ideologies I base my development practices on.

JavaScript, SCSS, HTML5, GIT, NPM: The primary web technologies I use on a daily basis.

.NET, MVC: The primary way I develop for .NET based content management systems.

Sitefinity & Kentico: .NET based content management systems, using MVC as the primary means for custom development.

WEB PRODUCTION SPECIALIST / THRILLWORKS // May 2014 to July 2017 (3 Years, 3 Months)

Thrillworks Inc. - Burlington, ON

As a Web Production Specialist I was exposed to a wide variety of web technologies. My Web Production Specialist position at Thrillworks gave me in-depth experience with:

Agile Methodology, SEO, WCAG Guidelines, JIRA, Confluence, Foundation, Bootstrap, AEM, WordPress, RedDot, SiteCore, Magento, Photoshop, Illustrator, ExactTarget / Salesforce, MailChimp, InDesign.

CO-OWNER, WEBSITE DEVELOPER AND GRAPHIC DESIGNER / RIGHT CHOICE // September 2013 to May 2014 (8 Months)

Right Choice Websites - London, ON

I helped create a website development company called 'Right Choice Websites'. I co-created the brand and website with a colleague. I helped design and develop responsive websites for Right Choice clients using WordPress.

3D ARTIST AND UNITY GAME DEVELOPER / SLIGHTLY SOCIAL // May 2013 to July 2013 (2 Months)

Slightly Social Inc. - London, ON

I was the lead developer and 3D artist for a few Android and iOS games. I was provided a codebase for each game and was responsible for creating all of the in-game art and implementing it using the Unity game engine. I added features to the codebase, and collaborated with the UI and Sound developers to create a complete package.
